

# RIVERVIEW HIGH SCHOOL

## In the Creative Arts Learning

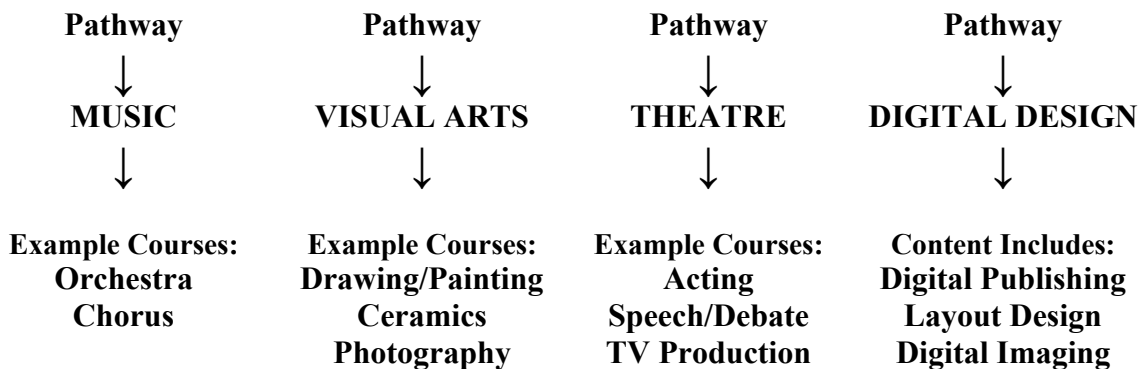

**Community**, students are

encouraged to explore and experience the joy of music, the creativity of visual arts, the dynamics of theater and the originality of digital design. Included in

this learning community are four

pathways: **Music, Visual Arts, Theatre, and Digital Design.** Each

pathway includes specific related courses as exemplified in the flow chart below:

### Highlights include:

- Courses for students who are interested in focusing on individual talents in music, visual arts, theater and digital design
- Careers might include writing, acting, music performance, fine art, photography, graphic design and architecture
- Core subjects encourage creativity and self-expression as related to academic subjects
