

THE LEGACY SOCIETY

Leaving a Lasting Impression on Riverview High School

The Riverview High School Foundation has created **The Legacy Society** to recognize today those individuals who plan to make a substantial gift at the end of their lifetimes, leaving an indelible mark on Riverview High School through a planned gift. The future funds established by Legacy Society members will carry out their individual or family's personal philanthropy in perpetuity.

Members of **The Legacy Society** are recognized in the Foundation's publications, as well as at a special dinner held annually in their honor. Members also receive a certificate to commemorate their commitment to the Legacy Society. Additional "Charter Member" recognition will be given to those who commit to the Legacy Society by December 31, 2007.

To become a member of **The Legacy Society**, the only requirement is a statement of establishment, or intent to establish, a gift to the Riverview High School Foundation in one's estate plans. No documentation of the amount or form of gift is required.

.....

The Riverview High School Foundation is included in my (our) estate plan and I (we) accept the invitation to be enrolled as a member (members) of The Legacy Society. I (We) understand my (our) name(s) will be listed with other members of **The Legacy Society**.
