

Riverview Presents to the Riverview High School Foundation

Wish List Item: **An Electronic Marquee**

Letting our community aware of important events at RHS.

"The art of communication is the language of leadership. ~James Humes

The Objective ("The Why"): Communication is at the core of educating our students. Communicating relevant and important information to our students, parents and community members. All high schools in Sarasota County except Riverview High School have an electronic marquee.

Mission: To install an electronic marquee.

The Need: To be able to update relevant information to students & parents clearly, quickly and effectively. The use of digital graphics greatly enhances our messages.

Total: \$20,000
